6,000 sqm; 120 exhibitors

10,000+ visitors

500+ business enquiries

\$6 mn orders booked

The logo for PH RMA MachTech Expo 2026. It features the letters 'PH' in a bold, black, sans-serif font, followed by a green icon of three overlapping circles, and then 'RMA' in the same bold, black font. Below this, 'MachTech Expo' is written in a smaller, black, sans-serif font, and '2026' is written vertically to the right of 'MachTech Expo' in a large, black, sans-serif font.

PH RMA MachTech Expo 2026

Focuses on the complete spectrum of pharmaceutical machinery and technologies, bringing together manufacturers, suppliers, and technology innovators

PRODUCT PROFILES

- Pharma Machinery & Equipment
- Ayush Pharma Machinery
- Pharma Packaging Materials & Equipment
- Process Plant & Machinery
- Packaging Material & Machinery
- Printing/Labelling Services
- Sustainable Packaging
- Tertiary Packaging/ ColdChain
- Software, Automation, related technologies in Pharma Machinery segment
- Monitoring & Inspection Equipment, Quality Control
- Clean room & Environment Control Equipment
- Startups, R & D & Innovation

LABNEXT EXPO 2026

Position your brand at the heart
of India's laboratory, scientific,
analytical and diagnostics sector

PRODUCT PROFILES

- Analytical Instruments
- Laboratory Equipment
- Scientific Instruments
- Biotechnology & Life Sciences
- Lab Fine Chemicals & Reagents
- Process Instruments
- Laboratory Automation & Software
- Laboratories Consumables/Filtration
- Analytical Testing Services
- Calibration/Validation Service Providers
- Research Instruments
- Laboratory Balances
- Specialty Chemicals
- Environmental Lab Instruments
- Water Material Testing Equipment
- Educational Laboratories & Scientific Instruments
- Humidity Chamber Deep Freezer
- Diagnostics and Point of Care testing

Why participate?

- **Engage decision-makers:** meet procurement heads, researchers, and government representatives through curated B2B meetings, reverse buyer-seller meets, and sector-specific roundtables.
